**Wave 1:** is **quality first teaching**, which takes into **account the learning needs** of all children in the classroom. This includes providing **differentiated work and creating an inclusive learning environment**.

**Wave 2:** outlines **specific additional and time-limited interventions** provided for children who are working below the age-related expectations. Interventions are targeted at small groups with similar needs and carried out by an LSA or CT.

**Wave 3:** is targeted provision for a **small percentage of children** who require a high level of additional support and or specialised provision to support their needs. Interventions are **highly personal** and will have input from outside agencies such as SALT, OT, EP and Physio

# Wave 1

Wave 1 is quality inclusive teaching which takes into account the learning needs of **all the children** in the school. It is based on adaptive teaching approaches, differentiated work and an inclusive learning environment. The chart below outlines just some of the ways in which Stoughton provides for its pupils:
